I was heading ^{North} on route 32 when the Trump made or left turn in front of me. I tried to avoid it. My speed was approx 30 MPH. When I was coming to the intersection, where traffic would turn left to Dennis road, there were about 3 cars in the center lane waiting to turn, and the Trump in the inside lane. The Trump came to the intersection and turned directly in front of my car. There were no cars on the road in front of me at that time.
